

# History of 1825 Inn...

1825 Inn is over 183 year-old, features distinctive lodging and is quietly nestled next to Hershey, Pennsylvania. This American style country farmhouse has been a B&B for many years, and was originally built as a farm house. Our historical bed and breakfast offers you the tranquility and comfort with our lovely gardens, beautiful secluded gazebo, inviting surroundings and at the same time we are near all the city conveniences. When you arrive at our Inn, you will find a welcoming and relaxing atmosphere, the perfect lodging alternative to hotels. Come and enjoy a warm "down-home" atmosphere, which prevails throughout 1825 Inn. We offer friendly hospitality and comfort. Our bed and breakfast is furnished with antiques, reproductions and just plain "old stuff" from all over the Pennsylvania Dutch area.

Our guests find our Hershey area Bed and Breakfast accommodations to be a wonderful place to be away from home - a perfect place for that special romantic getaway or to relax and find calm and harmony. We offer afternoon refreshments. Our full breakfast provides you with wonderful homemade breads, fresh fruits, and a special entrée each morning. Weather permitting, we serve breakfast in our screened-in porch so you can enjoy the fresh air while being pampered.

We look forward to your visit to our Bed and Breakfast so we can help you find serenity and relief from the stresses of day-to-day life.
